Why Join ISSA-Orange County?

- ISSA Orange County is part of a not-for-profit international organization of information security professionals and practitioners. It provides education forums, publications and peer interaction opportunities that enhance the knowledge, skill, and professional growth of its members.
- ISSA Orange County has over 200+ members that are currently working in and around the information security industry.
- The Orange County Chapter is one of the most active chapters in the US.
- ISSA Orange County provides an informal environment where security professionals of all levels can interact in a neutral and collaborative atmosphere.
- ISSA Orange County provides the highest level of speakers and educational presenters at both its monthly meetings and annual symposiums.
- Most of the Chapter's events qualify for two or more CPE credits.
- ISSA Orange County is a great place to network for students and job seekers in the information security fields.
- Membership is very reasonable and tends to enhance professional resumes.
